b. The Assignee has full power and authority to execute, deliver and perform under this Assignment, and to consummate each of the transactions set forth herein. The execution, delivery and performance by the Assignee of this Assignment, and the consummation by it of the transactions contemplated hereby, have been duly authorized by all necessary corporate action of the Assignee and any other governmental or court approval, including but not

limited to any required bankruptcy court approval. This Assignment has been duly executed and delivered by the Assignee and constitutes the valid and legally binding obligation of the Assignee enforceable against the Assignee in accordance with its terms.

5. This Assignment shall be binding on and inure to the benefit of the parties hereto and their respective successors and assigns.

6. The Assignee agrees to indemnify and hold harmless Aurora and ALS and their respective directors, officers, employees and agents from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever, that may be imposed on or asserted against it or them as a result, or in any way arising out, of this Assignment, and/or the Loan Purchase Agreements (collectively, "Damages"). If Aurora or ALS receives written notice of the commencement or assertion of any suit, summons, complaint, discovery request, subpoena, or other legal procedure or proceeding made or brought against it or them with respect to which the Assignee is obligated to provide indemnification under this Assignment (a "Proceeding Subject to Indemnification"), Aurora or ALS, as applicable, shall provide the Assignee with reasonably prompt notice thereof; provided, however, that the failure to give such prompt notice shall not relieve the Assignee of its indemnification obligations hereunder, except and only to the extent it is actually prejudiced by reason of such failure. Assignee shall have the right to choose and to directly pay legal counsel to represent Assignor in the Proceeding Subject to Indemnification; provided, however, that the Assignee shall not have the right to defend or direct the defense of a Proceeding Subject to Indemnification (i) in which any governmental agency, regulator or other similar entity is a party, or (ii) that seeks an injunction or other equitable relief against Aurora and/or ALS that (x) is potentially applicable to parties other than or in addition to the parties to such Proceeding Subject to Indemnification, or (y) is not directly related to the specific conduct alleged and claims asserted in such Proceeding Subject to Indemnification, or (z) may materially affect the assets, or materially limit or otherwise materially affect the business or operations, of Aurora and/or ALS, or (iii) in which there exists a conflict of interest between Aurora and/or ALS, on the one hand, and the Assignee on the other, which conflict Aurora and/or ALS, as applicable, in good faith determines cannot or should not be waived. If Aurora and/or ALS has a

good faith objection to the legal counsel chosen by Assignee, Aurora and/or ALS, as applicable, shall promptly notify Assignee in writing of the reasons therefor, upon which the Assignee shall choose another legal counsel reasonably acceptable to Aurora and/or ALS. Aurora and/or ALS shall have the right to participate in the defense of any Proceeding Subject to Indemnification with counsel selected by it and at its own cost and expense, subject to the Assignee's right to direct and control the defense thereof. If the Assignee elects not to defend such Proceeding Subject to Indemnification or fails to diligently prosecute the defense of such Proceeding Subject to Indemnification, Aurora and/or ALS, as applicable, may, subject to the terms hereof, defend such Proceeding Subject to Indemnification and seek indemnification for any and all Damages based upon, arising from or relating to such Proceeding Subject to Indemnification. Aurora and/or ALS, on the one hand, and the Assignee, on the other, shall cooperate with each other in all reasonable respects in connection with the defense of any Proceeding Subject to Indemnification. If notwithstanding the foregoing, Aurora and/or ALS otherwise choose(s) to have its/their own legal counsel represent it/them in a Proceeding Subject to Indemnification, such defense shall be at its own cost and the Assignee shall have no duty to indemnify Assignor for any legal fees or costs incurred in the Proceeding Subject to Indemnification.

Notwithstanding any other provision of this Assignment, the Assignee shall not enter into settlement of any Proceeding Subject to Indemnification without the prior written consent of Aurora and/or ALS, as applicable (which consent shall not be unreasonably withheld or delayed), except as expressly provided below. If a firm offer is made to settle a Proceeding Subject to Indemnification without imposing any liability or financial or other obligation on Aurora and/or ALS and provides for the unconditional release of Aurora and ALS from all liabilities and obligations in connection with such Proceeding Subject to Indemnification and the Assignee desires to accept and agree to such offer, the Assignee shall provide written notice to that effect to Aurora and ALS. If Aurora and/or ALS, as applicable, fail(s) to consent to such firm offer within ten (10) business days of its receipt of such notice, the Assignee may settle the Proceeding Subject to Indemnification, on behalf of the Assignor, upon the terms set forth in such firm offer to settle. If Aurora and/or ALS has/have assumed the defense pursuant to this terms of this Assignment, it shall not agree to any settlement without the written consent of the Assignee (which consent shall not be unreasonably withheld or delayed).

7. This Assignment embodies the entire agreement of Aurora, ALS and the Assignee with respect to the transactions consummated hereby and supersedes and replaces all prior and contemporaneous negotiations, understandings, representations and writings relating thereto.

8. This Assignment shall be governed by and construed in accordance with the laws of the State of New York, without regard to any conflict of law or choice of law principles thereof.

9. This Assignment may be executed in counterparts, each of which shall be deemed an original agreement, and all of which together shall be deemed to constitute one and the same instrument.

10. Signatures on this Assignment may be communicated by facsimile or electronic (pdf) transmission and shall be binding for all purposes upon the parties hereto.

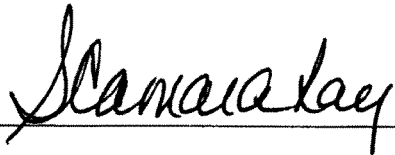

11. No waiver, modification or amendment of any provision of this Assignment shall be effective unless specifically made in writing and duly signed by each of the parties hereto.
